GRADUATION

This Sunday, May 23, is "Senior Sunday" at First United Methodist Church.

Appropriately, we will spend a good bit of the morning honoring our graduating seniors. Our high school graduating class and their families will be treated to our annual "Senior Breakfast" during the Sunday School hour and our graduates will be honored during the morning.

Tyler Looney, who is our Director of Youth ministries, will bring the message at the 8:30 and 10:45 a.m. Sanctuary services and we will have a special time congratulating all those who have completed high school and other educational endeavors!

Graduation is a high moment of completion in the lives of those who have finished their course of study, as well as for their parents and others who love them. Time needs to be spent just to say "congratulations!" Just as importantly, graduation also signals a new beginning...a beginning for all which is yet to come.

Let me give you again my definition of 'graduation'. You may remember that I gave it to you a couple of years ago:

"Graduation means that you start at the **BOTTOM END** of a **BIGGER SCHOOL** where the **WORK** is **HARDER**, the **REWARDS** are **FEWER** and the **DANGERS** are **GREATER**...but, if handled correctly, life can be **MORE REWARDING** than ever before!"

As you look over the 'graduations' in your life, you may well see that moving from one phase to the next...each successive graduation...brought just such a similar experience.

I would be glad to hear **YOUR** experiences of graduation, even as we give our hearty congratulations to those who have completed disciplines which have required hard work and dedication which might not have seemed possible!

I hope to see you Sunday!

John

REAL Life College Class Summer Session

Summer is about to start and that means our graduating seniors get to move up on June 6th to our College Class. We are going to provide something very special for those college students coming home or remaining here for the summer and for the graduating seniors. We will have several adult leaders in our church come and share their words of wisdom with our students. They will share how their faith has effected their careers and family experiences and how the Lord molded them into passionate followers of Christ through it all. It is going to be a great time of learning and fellowship.

If you have any other questions please contact Dede Looney at 655-2851 or dlooney212@firstchurchcanyon.com.

Hola!
I am so excited about my first summer here in Canyon, TX! I truly believe that we have a great arrangement of plans for this summer. I would encourage you to invite youth you know to pick up a calendar (located in the stair-well) or download one from our website. I believe that God is going to do great things at FUMC this summer and I believe that the youth will be a huge part of this. We will have the summer to grow in relationships and then come Fall I see our youth reaching out to other youth in the community and truly impacting their peers for Christ. This is our goal....to engage and grow in our relationships with Christ by practicing: In/Reach, Up/Reach, Deep/Reach and Out/Reach. We are determined to build quality in this ministry that will lead to quantity...and yes it takes time! Please continue to pray for our Church and boldly believe that God will do great things! We must boldly believe!!!

Kids News

Don't be hot headed and lose your temper. Our impatience not only hurts us, it can hurt others, too. When we get impatient and tempers flare we lose control. Ask God to help you keep your cool. Wait, be patient and stay calm. This helps protect you and others from getting hurt physically and emotionally. When we are patient, we act more responsibly.
